The RW Commitment To Sustainability

Discover a new era of sustainable solutions with our seamless integration of environmental responsibility into our core values. We go above and beyond to ensure our commitment to the planet is deeply ingrained in our products, culture, and actions.

Plant One On Us

For every purchase on our website, we plant one tree at no additional cost to our customers. More than 325,000 trees have been planted, contributing to the fight against deforestation and supporting farmers in developing countries.

Leading With Responsibility

Our mission revolves around advancing responsible foodservice supplies and maintaining steadfast environmental, social, and governance (ESG) standards. We foster a sustainable ecosystem by amplifying these standards, demonstrating our commitment to our customers and the environment.

Conservation & Waste Reduction

We have embraced a sustainable packaging revolution by delivering select products in their original packaging without outer boxes. We anticipate saving over 175,000 boxes annually in the U.S.

Sustainable Future Investments

Our research and development team focuses on sustainable product development by prioritizing recycled and sustainably sourced materials, promoting innovation and sustainability in product development, using manufacturing processes that conserve energy and resources, and providing guidance on the proper disposal of our products.

Eco-Conscious Distribution

Our commitment to efficient and sustainable deliveries involves load optimization, carbon-conscious route planning, and minimal packing materials.

Compliance With PFAS Regulations

We have partnered with qualified labs to conduct thorough testing of our products. Our goal is to comply with state regulations without sacrificing performance or quality.

Green Hero Certification

The Green Hero Certification is an easy-to-use guide for finding products that meet sustainability goals from material substrate to end-of-life. It aims to promote and recognize products that adhere to the highest standards of compostability and sustainability. By upholding specific criteria related to material composition, composting standards, and environmental impact, we ensure that certified products support a circular economy and reduce their ecological footprint.

This certification is designed for a range of products, prioritizing those that can significantly contribute to organic waste composting efforts. Certifications matter; look for the Green Hero, CMA, BPI, and TUV product logos on our site.

No PFAS Added Products

From packaging to tableware, we offer over 2,000 plant-fiber products with no PFAS added that adhere to stringent state regulations. Our extensive selection allows you to confidently replace items containing harmful chemicals with sustainable and durable alternatives. These products make it easy to embrace an

environmentally-conscious approach without compromising on quality or aesthetics.

Oil & Water Test Kit

Be Safe

Ensure the quality of your frying oil with our 3M low-range oil quality test strips. Our strips detect the breakdown of shortening in your fryer, providing a precise reading of early oil degradation and eliminating the guesswork of when to change your oil. Compatible with all types of shortening, including animal, vegetable, or blended shortenings, our strips work efficiently in operating temperatures of 325°F-400°F. With 100 strips included, our testing kit allows for regular monitoring of your frying oil to prevent costly equipment damage.

Mouse Traps

Keep your establishment rodent-free with our Pest Tek mouse traps. Designed for ease of use and effective performance, these traps are an essential addition to any foodservice operation aiming to maintain the highest standards of hygiene and safety. With options for high-impact kill bars and interlocking teeth to glue traps, these traps ensure efficient pest management that's essential for operators.

Snap-closure mechanism provides a quick and humane kill once triggered

The Customization Process:

1. Contact Us

Email our customization team at custom@restaurantware.com. Provide product details and any artwork you have in mind (logo, slogan) in EPS, AI, or PDF format at 300 dpi. Don't worry if you don't have a design; our in-house designers can bring your ideas to life.

2. Digital Sample Approval

Our in-house design team crafts a high-resolution digital sample within 1 to 5 days. Review and provide feedback. We offer unlimited revisions and will work with you until you are completely satisfied.

3. Sign Our Contract

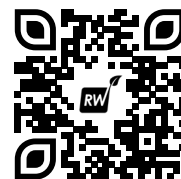

Once you approve the digital sample, we provide a contract for your review and a 50% deposit requirement. With your sign-off, we will finalize your artwork.

4. Final Print-Ready Proof Approval

Review the final print-ready proof for accuracy and ensure it meets your expectations. Once approved, your order goes into production.

5. Production Begins

Congratulations! Your product is now in production. Reach out if you have any questions throughout the production process.
